INTRO

Editor with 5+ years of experience in post-production for commercial advertising. Known for efficiency, collaboration, and attention to detail. Experience working with top agencies and global brands, delivering high-quality content for broadcast and social media. Skilled in collaborating with clients inside the edit bay or remote edits for television spots and client pitches. Proficient in integrating pre-visual VFX and motion graphics into offline edits, and effectively communicating with flame artists and animators for final deliverables.
